

Job Description: Java Developer (3 Years of Experience)

Tech Solutions, San Francisco, CA, USA

About Us

At Tech Solutions, we believe in the power of technology to solve complex problems. We are a dynamic, forward-thinking tech company specializing in custom software solutions for various industries. We are seeking a talented and experienced Java Developer to join our team.

Job Description

We are seeking a skilled Java Developer with at least 3 years of experience in building high-performing, scalable, enterprise-grade applications. You will be part of a talented software team that works on mission-critical applications. Your roles and responsibilities will include managing Java/Java EE application development while providing expertise in the full software development lifecycle.

Responsibilities

- Designing, implementing, and maintaining Java applications that are often high-volume and low-latency, required for mission-critical systems.
- Delivering high availability and performance.
- Contributing to all phases of the development lifecycle.
- Writing well-designed, efficient, and testable code.
- Conducting software analysis, programming, testing, and debugging.
- Ensuring designs comply with specifications.
- Preparing and producing releases of software components.
- Supporting continuous improvement by investigating alternatives and technologies and presenting these for architectural review.

Requirements

- BS/MS degree in Computer Science, Engineering, or a related subject.
- Proven hands-on Software Development experience.
- Proven working experience in Java development.
- Hands-on experience in designing and developing applications using Java EE platforms.
- Object-Oriented Analysis and design using common design patterns.
- Profound insight of Java and JEE internals (Classloading, Memory Management, Transaction management, etc.)

- Excellent knowledge of Relational Databases, SQL, and ORM technologies (JPA2, Hibernate).
- Experience in developing web applications using at least one popular web framework (JSF, Wicket, GWT, Spring MVC).
- Experience with test-driven development.

Benefits

- Competitive salary package.
- Health, dental, and vision insurance.
- Retirement savings plan.
- Professional development opportunities.
- Flexible work hours.

Tech Solutions is proud to be an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.

How to Apply

To apply, please submit your resume and a brief explanation of your relevant experience to hiring@techsolutions.com.
