

Job Description: Product Manager (10+ Years of Experience)

Tech Solutions, San Francisco, CA, USA

About Us

Tech Solutions is a global leader in the technology industry, specializing in the development of cutting-edge software products. We're currently looking for a seasoned Product Manager with over 10 years of experience to join our dynamic team.

Job Description

The Product Manager will be responsible for guiding the success of a product and leading the cross-functional team that is responsible for improving it. This is an important organizational role that sets the strategy, roadmap, and feature definition for a product or product line.

Responsibilities

- Define the product strategy and roadmap.
- Deliver MRDs and PRDs with prioritized features and corresponding justification.
- Work with external third parties to assess partnerships and licensing opportunities.
- Run beta and pilot programs with early-stage products and samples.
- Be an expert with respect to the competition.
- Act as a leader within the company.
- Develop the core positioning and messaging for the product.
- Perform product demos to customers.
- Set pricing to meet revenue and profitability goals.

Requirements

- 10+ years of experience in product management.
- Demonstrated success defining and launching excellent products.
- Excellent written and verbal communication skills.
- Technical background, with experience in software development.
- Excellent teamwork skills.
- Proven ability to influence cross-functional teams without formal authority.
- Must be able to travel 20
- Bachelor's degree (MBA preferred).

Benefits

- Competitive salary package.
- Health, dental, and vision insurance.
- Retirement savings plan.
- Professional development opportunities.
- Flexible work hours.

Tech Solutions is an equal opportunity employer. We celebrate diversity and are committed to creating an inclusive environment for all employees.

How to Apply
