Job Description: Senior Full Stack Engineer (5+ Years of Experience)

Tech Solutions, San Francisco, CA, USA

About Us

Tech Solutions is a leading technology company that creates innovative solutions across a variety of industries. Our mission is to improve lives through advanced technology. We're currently seeking a Senior Full Stack Engineer to join our dynamic team.

Job Description

We're looking for a Senior Full Stack Engineer with 5+ years of experience in developing web applications. The successful candidate will have experience working with both front-end and back-end technologies, and will be capable of overseeing projects from conception to production deployment.

Responsibilities

- Developing front end website architecture.
- Designing user interactions on web pages.
- Developing back end website applications.
- Creating servers and databases for functionality.
- Ensuring cross-platform optimization for mobile phones.
- Seeing through a project from conception to finished product.
- Designing and developing APIs.
- Meeting both technical and consumer needs.
- Staying abreast of developments in web applications and programming languages.

Requirements

- Degree in Computer Science or similar field.
- 5+ years of experience in web development.
- Strong organizational and project management skills.
- Proficiency with fundamental front end languages such as HTML, CSS, and JavaScript.
- Proficiency with server-side languages such as Python, Ruby, Java, PHP, and .Net.
- Familiarity with database technology such as MySQL, Oracle, and MongoDB.

- Excellent verbal communication skills.

- Good problem-solving skills.

- Attention to detail.

Benefits

- Competitive salary package.

- Health, dental, and vision insurance.

- Retirement savings plan.

- Professional development opportunities.

- Flexible work hours.

Tech Solutions is an equal opportunity employer and we value diversity at our company.

How to Apply

To apply, please submit your resume and a brief explanation of your relevant experience to `hiring@techsolutions.com`.
